

Professional Summary

A passionate and adventurous learner with a keen interest in web development and open source. Enthusiastic about exploring new domains and driven by a strong entrepreneurial spirit, I actively pursue personal startup ideas. Eager to embrace new challenges, I am committed to continuous learning, maintaining a proactive approach to professional development.

Education

Year	Degree/Examination	Institution/Board	CGPA/Percentage
2027	Bachelor of Technology (Computer Science)	Rishihood University	7.8/10.0
2022	Intermediate (Class XII)	Fatima Matriculation Higher Secondary School	81.1%
2020	Matriculation (Class X)	Fatima Matriculation Higher Secondary School	98.8%

Internship and Certifications

Hackerrank | Problem Solving (Basic) January 2024
Resolved challenges on HackerRank and received a Python Problem Solving (Basic) certificate.

Hackerrank | Python(Basic) January 2024
Successfully tackled challenges on HackerRank, achieving certification in Python(Basic).

Hackerrank | Java(Basics) January 2024
Successfully tackled challenges on HackerRank, achieving certification in Java(Basic).

JITSIE IITM | Participant August 2023 - September 2023
Actively participated in the START-A-THON organized by JITSIE-IIT Madras, contributing to a dynamic atmosphere of collaborative innovation, and received a certificate of participation.

Projects

Quiz app | GitHub ([link](#)) March 2024
Created a Quiz App using HTML, CSS, and JavaScript for an engaging user experience. Features include a start button, interactive questions, score display, and options to replay or quit.

Trip Planner | GitHub ([link](#)) March 2024
Created an AI Trip Planner using React.js, HTML, and CSS for seamless travel planning. Personalized itineraries generated based on user preferences. Simply input destination, budget, and interests for hassle-free adventure planning!

2048 Game | GitHub ([link](#)) February 2024 - March 2024
I've skillfully crafted a 2048 game utilizing JavaScript, HTML, and CSS. This engaging puzzle game challenges players to strategically merge numbered tiles until they reach the coveted 2048 tile.

Spotify clone | GitHub ([link](#)) January 2024
Crafted a dynamic personal portfolio demonstrating mastery in HTML, CSS, and JavaScript. Designed for exceptional user experience and visual appeal. Proficiently showcases diverse projects and comprehensive web development skills.

My portfolio | GitHub ([link](#)) January 2024
Crafted a sophisticated personal portfolio with HTML, CSS, and JavaScript, showcasing responsive design and web development expertise. Integrated dynamic elements and interactive features for enhanced user engagement and seamless browsing experience.

Calculator | GitHub ([link](#)) January 2024
Created HTML/CSS calculator for fundamental arithmetic operations. Ensured device compatibility with responsive design. Demonstrated web proficiency with interactive projects.

Skills

Computer languages	Python, TypeScript, HTML, CSS, Javascript, React
Software Packages	Soft Docker(Container), Windows, Excel.
Skills	Public speaking, Verbal/nonverbal communication, Written communication, Leadership, Team Building, Time management, Research, Creativity, Teamwork, Critical Thinking, Responsibility, Presentation Skills
Others	Spreadsheets

Co-Curricular Activities

1. Actively engaged in the Global Open Source Cohort (GOSC), gaining valuable insights and practical experience in Open Source development. Strengthened proficiency in diverse Open Source technologies and methodologies, demonstrating a commitment to collaborative project contributions.
2. Proudly holding the position of club moderator for the Photography Club at Rishihood University. In this role, I am intricately involved in orchestrating events and overseeing all aspects of event coordination and management.
3. Achieved the distinguished Best Student award in 2022 at Fatima Matriculation Higher Secondary School, recognised among a group of 30 peers.
4. Participated effectively in the online Idea Pitching and Venture Pitching sessions for my startup "OPEN HAT" hosted by Wadhvani Foundation. Collaborated with a team of four members throughout the event.
5. Achieved first place in the 400m running sprint during the sports day competition held at Fatima Matriculation Higher Secondary School in the year 2022.
- 6.Developed an operational website using an AI tool called Strikingly.
